

Disability Support Services at **AUA**

The American University of Armenia aims to establish a learning environment which supports diverse student learning abilities and addresses a variety of challenges students face in pursuit of their education. Students with physical, psychological, or sensory conditions, be they chronic or temporary, can access the University's Disability Support Services (DSS). DSS will assist students who are in need of accommodations in and outside of the classroom.

Eligible students can make use of **assistive technologies**, which include but are not limited to...

- ▶ **Logickeyboard Large Print Slim** - keyboard designed for visually impaired users to provide them with an easier and more accurate way to type on the keyboard.
- ▶ **Eye-Pal Vision** - a fast, accurate, and easy-to-use scanning and reading appliance that displays text in a high-contrast via a monitor or TV.
- ▶ **Sonocent Audio Notetaker** - award-winning technology to capture audio, text, and slides in a single note-taking workspace, organize and categorize note sets, improve audio quality and extract to words required.
- ▶ **Matias FK403RPC Ergo Pro Keyboard** - includes a removable palm support, sculpted keycaps for faster and more comfortable typing.
- ▶ **C-Pen Exam Reader** – designed for students with dyslexia and other learning disabilities. Enables independent exam taking ensuring that users can read and understand the questions.

- ▷ **IRLEN Colored Overlays** - reduces strain and fatigue, eliminates headaches, improves comprehension, allows to read longer and with comfort due to print clarity and stability.
- ▷ **Microsoft Sculpt Ergonomic Keyboard** - allows to keep hands and arms in a relaxed position while working on computer.
Snow 7 HD Plus - reading/distance portable video magnifier equipped with text-to-speech technology.
- ▷ **Kurzweil 3000** - designed to provide literacy support, including reading, writing and exam taking.
- ▷ **Livescribe 3 Smartpen** - searches handwritten notes and converts them into digital text with high accuracy. Includes Livescribe 5.5 x 8.25 Lined Journal designed for notes, sketches, and thoughts when one is on-the-go.
- ▷ **Apple iPad 9.7** - available to support student study and learning processes.
